# SWIMMING LESSONS

## OUR PHILOSOPHY

At Columbus Pool Management children are rewarded with praise for a job well done. They are never forced to perform a skill that they are not ready for. We believe that with patience, positive encouragement, and frequent repetition of skills, your child will have a happy, safe and successful swimming experience.

Requires a 3 student minimum and maximum of 6 students with 1 instructor per class. Classes are held Monday - Thursday for 30 minutes for the two week session.

**Tadpoles:** For children four years old and up who are unable to swim ten feet unassisted. This class emphasizes water orientation, basic water safety, and developing a comfort level with the water.

## CLASS DESCRIPTION

**Beginners:** The object of this course is to give students success with fundamental skills. Students learn to float without support and recover to a vertical position. This level marks the beginning of true locomotion skills.

**Advanced:** Students must be comfortable in the water. Students must swim independently for six feet. Basic skills for front crawl and backstroke are taught, as well as diving.

**Stroke Clinic:** Students must be able to swim a minimum of 35 feet of both beginner front crawl and backstroke. The object to this course is to develop confidence in skills learned thus far. The breaststroke, sidestroke, and the basics of turning at the wall are introduced.
